Last Update **06/08/2008**

Next Update **13/08/2008**

Updated daily in the week before a Quarterly Review, otherwise updated Wednesday weekly

This report is issued by GNI touch which is a trading name of MF Global UK Ltd. which is authorised and regulated by the Financial Services Authority. References to "MFG" in this Report shall mean MF Global UK Ltd. unless otherwise stated. The Report was prepared and distributed by MFG for information purposes only. The Report contains information and opinions, which may be used as the basis for trading undertaken by MFG and its officers, employees and associated companies. The Report should not be construed as solicitation nor as offering advice for the purposes of the purchase or sale of any security, investment or derivative. The information and opinions contained in the Report were considered by MFG to be valid when published. The Report may also contain information provided to MFG by third parties. The source of such information will usually be disclosed in the Report. Whilst MFG has taken all reasonable steps to ensure this information is correct, MFG does not offer any warranty as to the accuracy or completeness of such information. Any person placing reliance on the Report to undertake trading does so entirely at their own risk and MFG does not accept any liability as a result. Securities and derivatives markets may be subject to rapid and unexpected price movements and past performance is not necessarily a guide to future performance. CFDs and Universal Stock Futures are not available to US residents. Registered Office : Sugar Quay, Lower Thames Street, London, EC3R 6DU. Registered in England No. 1600658
